The First-Ever Crypto Polo Match Hits South Florida

Jessel Thomas, Tech Times | 08 March 2022, 12:03 am

South Florida is gearing up to host the first-ever [crypto polo match](#) where celebrities, venture capitalists, investors, politicians, and the media will come together in the most extravagant and inspiring social gathering of the season. The event will combine a world of modern-day technology with the spirit of polo.

Join us for an enticing atmosphere with a 3-course lunch, bottomless cocktails, networking with exclusive guests, and soft entertainment while the polo match takes place right before you. Then end the day with an all-inclusive NFT tent party featuring the artwork of a renowned artist, to be disclosed shortly.

The invite-only event will be hosted by [Luna PR](#), an award-winning public relations and marketing agency that has worked with over 600 crypto and blockchain projects globally. "The purpose of the event is to connect people from traditional businesses and the web3 world, where ideas and innovation can spring to life, while enjoying the common denominator of Polo", says Nikita Sachdev, Founder of Luna PR.
